E Commerce App (During Internship)
This E-Commerce App is an all-in-one solution that combines both Admin Panel and User Side in a single app. It provides seamless functionality for managing products, orders, and users, along with a secure buying experience for customers.

EXPERIENCE

Flutter Developer
Global Web Consultant | (6 Months)

- Developed and maintained cross-platform mobile applications using Flutter & Dart. Integrated REST APIs for dynamic data fetching and user authentication.
- Implemented state management solutions like GetX / Provider for efficient app performance. Worked on UI/UX enhancements, ensuring responsive designs for both Android and iOS.
- Integrated payment gateways (Razor-pay) for seamless transactions.
